Management

## Welcome to Aachen

**We are the Municipal Integration Management (KIM) team. We are here to help you with any questions relating to integration and participation.**

From arrival to naturalisation, you have many tasks to complete. We will be happy to help you with all of them.

Our service is aimed at anyone whose background involves migration or flight and who is living in Aachen.

We are here to provide you with long-term support.

## Our counselling services

**We work together with various authorities, advice centres and institutions and can advise you on topics such as:**

- Residence
- Training and work
- Education and language
- Health
- Accommodation
- Social integration

If you need an interpreter for our meeting, please let us know in advance.
