## Detour routes to Aachen

The A544 motorway is closed from the exit (AS) Würselen. Detour routes will take you to Aachen via the A44 and A4.

On the A44, please use the exit Aachen-Brand or Aachen-Lichtenbusch and on the A4 take the Aachen-Zentrum or Aachen-Laurensberg exit.

Please follow the guidance on the digital traffic information boards in front of the Aachen interchange and along the detour routes on the A44 and A4. The boards show the fastest route to Aachen city centre.
